NARRATIVE:

Angelesco has an extensive adult criminal history. His convictions include vehicle theft, violations of parole by a felon, forgery, grand theft, resisting and obstructing an officer, grand theft auto, possession of dangerous weapons, possession of controlled substances, and being under the influence of controlled substances. Angelesco is a mandatory narcotics registrant. He has served multiple state prison terms the longest a three (3) year term for forgery. Angelesco was released from state prison to the supervision of the Los Angeles County Probation Department on November 28th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after he absconded from post release community supervision (PRCS). Angelesco qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the possession of controlled substances meets the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
